

KITSAP COUNTY SHERIFF'S OFFICE

TO HOST OUR

COMPUTER VOICE STRESS ANALYZER (CVSA®) CERTIFIED EXAMINERS & RECERTIFICATION COURSE

April 11 – 15, 2016

April 12-14, 2016 – Recertification

Bremerton International Readiness Center
1211 Carver Street
Bremerton, WA 98312

NITV® Federal Services conducts a widely acclaimed five-day intensive training course from 8:00am – 5:00pm for law enforcement personnel to utilize the Computer Voice Stress Analyzer (CVSA®). Hands-on instruction in application of the CVSA® II and the specialized Defense Barrier Removal® interviewing and interrogation technique developed by the NITV® Federal Services. This technique, when utilized in conjunction with the CVSA® II, has proven invaluable in obtaining confessions as well as clearing suspects.

*See why over 2,000 Law Enforcement Investigators world-wide use the CVSA®
to Identify Deception, Validate Truths and Solve Crimes.*

Course Description

- History of Lie Detection
- Instrumentation
